

Feedback Collect

Video your practice at the driving range with your mobile device:

- Voice-controlled, hands-free operation
- On-screen overlay available for right or left-handed golfers to ensure correct camera position
- Each practice swing captured and stored as a separate video (no editing required)
- Tag your practice with club, location, and weather conditions

Review your practice on your mobile device or on our virtual clubhouse:

Annotate each swing video with easy-to-use drawing tools

Record voice notes about each video

Delete and favorite videos

Share Video with an Instructor in the Feedback Network

Replay in slow motion, frame-by-frame, or pause

Compare two videos side-by-side

Post your video and comments to Facebook or Twitter

The Feedback: Collect Bundle includes:

- **Feedback:** Flex Tripod w/clamp (Clamp compatible with most phones up to 4.6")
- **Feedback:** Connect Bluetooth (Compatible with all Bluetooth enabled devices)

\$89⁹⁹ *Suggested retail price*
